

Prospective adoption inquiry form

Thank you for expressing interest in adopting a rescued farmed animal and providing it with lifelong care. As you would expect we will only allow animals to go to the best of homes to ensure that they do indeed have a life worth living and that you are able to adequately provide this. In order to do this we need to know a little bit more about you. All details are strictly confidential and will not be given to any third party.

Date

Your name

Your address

Best contact number/s

Is this where the animals will live? If not where would they be and tell us about who would be tending them.

How often would the animals be checked?

Do you own the property where the animals will live?

In the event you left your current address would the animals be taken with you?

Species of animals and number you are interested in adopting

Are you able to take the animals immediately?

Do you currently have any farm animals living with you, if yes please tell us about them

If you do not currently have any farm animals, please list any experience you've had with farm animals

Please describe the housing arrangements you will be able to provide for farmed animal

Please describe your fencing, pasture and land size available for farmed animals:

Can you tell us about your veterinarian, who they are? Distance from you? Do they treat farm animals?

Will you be able to provide physically and financially should the need for a veterinarian arise?

May we reserve the right to inspect the animals?

Can you provide the names and contact details of two referees?

Do you understand and undertake that these animals are never to be killed (unless humane euthanasia is necessary) or bred from or with?
